## Meet the Machines

**Presented By  
Budrovich Companies and Fabick CAT**

On Saturday, April 26, 2008, from 10:00 a.m. to 3:00 p.m. join Budrovich Companies and Fabick CAT for the fourth annual Meet the Machines. This exciting family outing is held in the Budrovich Companies bone yard, which is located in an old quarry at the company's headquarters on 10328 Lake Bluff Drive in St. Louis, MO. Guests should arrive at the north gate and stop at the registration table. The first 1500 guests will receive a Meet the Machines hard hat and goody bag filled with treats from Fabickstore.com, the Magic House, and official media sponsor "The Big 550" KTRS Radio.

Meet the Machines is a free community event introducing children ages 3-15 years old to the heavy equipment side of the construction business. Children and adults alike are invited to climb aboard and explore giant excavating, hoisting, and earthmoving machinery. Visitors can virtually operate a crane or a motor grader via training simulators provided by Manitowoc Crane and Fabick CAT. Food and beverages will be provided to attendees at no cost, as well as games, prizes, and face painting. Photo opportunities with "Izzy the Grizzlie" of the Gateway Grizzlies, "Louie" the St. Louis Blues mascot, Kelly Chase, former enforcer for the St. Louis Blues and colour commentator of St. Louis Blues radio, and of course, the heavy equipment itself. A surprise fly by and landing by the St. Louis Police helicopter will amaze visitors in Backstopper's Alley. Make sure and check out the CAT Top Fuel Dragster, Hansen's Monster Truck, and the Manitowoc Crane Orange County Chopper on Fast and Furious Lane.

*The Budrovich Companies specialize in site utility excavation, mass and finish grading, crane rental, and residential, commercial, and industrial land development. Budrovich employs nearly 150 skilled operators and laborers in the St. Louis metropolitan region, utilizing nearly 90 pieces of excavation and grading equipment and 40 mobile hydraulic and crawler cranes.*

*Fabick CAT celebrated its 90<sup>th</sup> anniversary in 2007. Headquartered in Fenton, MO, Fabick CAT is the authorized dealer of Caterpillar equipment, prime and stand-by power systems, parts and service, compact construction, and rental equipment for 99 counties in mid and southern Missouri and southern Illinois. Other locations include Cape Girardeau, Columbia, Foristell, Jefferson City, Joplin, Springfield, West Plains, MO; Salem, Marion, Metropolis, and Troy, IL. For more information, visit [www.fabickcat.com](http://www.fabickcat.com).*
