

Shriners Hospital Ride
12545 Fee Fee Road
St. Louis, MO 63146

September 15, 2006

Dear Fabick Power Systems,

We would first like to thank you for being a Contributor for the second annual Shriners Hospital Ride, the Ride so Kids Can Walk. Without your support and contribution this Ride would not be possible.

Did you know Shriners Hospitals for Children is a network of pediatric specialty hospitals, founded by the Shrine, where children under the age of 18 receive excellent medical care absolutely free of charge. There are 18 orthopaedic Shriners Hospitals, three Shriners Hospitals dedicated to treating children with severe burns, and one Shriners Hospital that provides orthopaedic, burn and spinal cord injury care. Shriners Hospitals are located throughout North America— 20 in the United States and one each in Mexico and Canada. These "Centers of Excellence" serve as major referral centers for children with complex orthopaedic and burn problems. For more information visit www.shrinershq.com.

We cannot thank you enough for your support and hope you had a chance to come out and see the event.

Sincerely,

Shriners Hospital Ride Committee

Sept. 15/2006

Dear Mr. Waller:

This is to thank you and The Fabick Tractor Company, for your wonderful donation to the Christian Assembly Church, in the form of a loan of a TH580 Fork Lift.

This loan was a wonderful gift of Four months of that equipment on our job site and not in use by you. I want you to know it was very much a blessing to us. If you would, please accept our thanks.

If it would be of any use to the Fabick Tractor Company, we would issue a certificate of giving for the loaning of the TH580, to be used as a tax credit, by Fabick Tractor Company. We would need to know the rental value of such a machine, to issue the certificate.

Thank you so very much.

May I also say, I, Royce Coy, am an Ex employee of Fabick, when the company was at 3100 Gravois. I left the company when I went into the ministry in 1967. At that time Joe Fabick was the general parts and service manager and I was the general parts inventory control manager. I wrote the first manual for all the parts departments to follow in using the new , at that time, computer system.

I still feel I am a part of Fabick Tractor Company. The company was very good to me and I thank them again for the help in building our new church structure.

Sincerely:

Royce Coy

Dear Paul Waller

I want to extend my sincere appreciation for your support of the St. Charles County Fair. Because of sponsors such as *Fabick Cat*, the Fair continues to be a huge success.

I, along with my fellow Fair Board members, understand the importance of the annual County Fair. We teach leadership, tradition, cultural values, and the significance of community service to members of 4-H and FFA. I hope you understand your vital role in this process. Despite excessive heat and severe thunderstorms, the Fair Board is proud to announce *over 15,000* people attended this year.

Thank you again for everything you do for the St. Charles County Fair. With the continued help of sponsors and volunteers like you, we will strive to host the best County Fair we possibly can! If you have any questions, you can reach me at 636-673-2390. I look forward to working with you again next year.

Sincerely, 

Charlie Heppermann
Vice President
St. Charles County Fair Board

Fenton, MO 63026

Dear Chuck,

You're the best!!! Thanks for your work, support and great customer service. Especially during the St. Louis Blackout

Thank you for your involvement in and support of Fair St. Louis/LIVE on the Levee this summer. While it was a transitional year with a new format, I think everyone involved agreed it was a huge success. The variety of entertainment, great fireworks, and beautiful setting under the Arch with the city as a backdrop made for a wonderful experience for the hundreds of thousands who attended over the twelve days of shows.

As a small token of our appreciation, enclosed is a limited edition digital print of a poster signed by all of the artists appearing on the Budweiser Stage. We hope you will display it with pride and as a reminder of your role in the success of Fair St Louis/LIVE on the Levee 2006.

Thanks again, and we look forward to working together again soon.

Best wishes,

Keith Alper
