Celebrating Excellence

September 8, 2006
Mr. Doug Fabick
Fabick CAT
One Fabick Drive
Fenton, Missouri 63026

Dear Mr. Fabick:

On behalf of Southeastern Illinois College, I want to thank you and the staff at Fabick CAT for your financial support of our Diesel Technology program.

The hallmark of a good partnership involves moving beyond existing boundaries to accomplish more than the individual partners could individually. As you know, offering training that rises to the level of the excellence expected by industry leaders such as Fabick CAT is an expensive undertaking, and your generous financial support will have a positive impact on the further development of our Diesel Technology program.

Again, thank you for your generous support of Southeastern Illinois College as we help prepare students to become productive and successful members of the workforce.

Sincerely,

Raymond V. Cummiskey, Ph. D. President
