## I. INTRODUCTION

This Extended Service Coverage, herein referred to as "Service Contract," is designed specifically for Caterpillar's on-highway vehicle engines and is an important part of Caterpillar's continuing effort to provide "you" with superior value and product support.

## II. TERMS AND CONDITIONS

This Service Contract provides parts and labor coverage less any applicable deductible for the "cost" of a "mechanical breakdown" under normal use during the "coverage period" due to a defect in material or factory workmanship. Coverage under this Service Contract is subject to the applicable exclusions listed under Section VIII. Exclusions and Limitations.

The Registration Certificate must be completed in its entirety at the date of registration. "You" should purchase this Service Contract on the "covered engine's" inspection date or original purchase date from an "authorized dealer". Certain fees, penalties and coverage availability may apply for all Service Contracts requested after the original purchase date. "You" must contact an "authorized dealer" for complete details.

Coverage under this Service Contract starts at the earliest of:

1. The date of completed inspection for engines not awaiting resell,
2. The transfer of coverage from "Authorized dealer" to "You",
3. Or 12 months from the original date of the completed inspection for engines awaiting resale.

\_\_\_\_ **CUSTOMER INITIALS (WA State Only)**

## III. DEFINITIONS

"Authorized dealer" means a dealer authorized by the manufacturer to sell, service and repair the "covered engine".

"Cost(s)" means the usual and fair charges as determined by the manufacturer for parts and labor necessary to repair or replace the parts as specified in the Service Coverage Matrix. Replacement parts will be genuine manufacturer's parts when performing repairs and may include new, remanufactured or repaired components.

"Coverage period" means the period that commences with the start date as shown on the Registration Certificate and expires when time, miles / km or service meter hours, whichever occurs first, from the start date of the "covered engine" exceeds the coverage limits as specified on the Registration Certificate.

"Covered component" means the components listed and identified for the appropriate level of coverage on the Service Coverage Matrix form (attached to and made a part of this Service Contract).

"Covered engine" means the engine identified for this coverage as shown on the Registration Certificate and accepted by "us" for coverage.

"Cuba" means the state and government of Cuba, as well as any political subdivision, agency or government controlled business thereof.

"Cuban national" means any citizen or permanent resident of Cuba, wherever located, except Cubans permanently residing in the United States; any business organized under the laws of Cuba; any business with its principal place of business in Cuba; any business owned or controlled by a Cuban national; any business or sub-unit located in Cuba.

"Cuba," "Iran," and "Sudan" each mean the state and government of such country, as well as any political subdivision, agency, or government controlled business thereof, and includes persons and entities in such country.

"Mechanical breakdown" means the failure of any original or like replacement "covered component" to work as it was designed to work in normal service, provided it has received customary maintenance as recommended in the manufacturer's operation and maintenance manual.

"Repairer(s)" means a business entity "we" have authorized as a repair facility or "authorized dealer".

"Specially Designated National" means any person appearing on the list of Specially Designated Nationals published by the U.S. Treasury Department's Office of Foreign Assets Control (available at <http://www.ustreas.gov/offices/enforcement/ofac/sdn/index.shtml>).

"Warranty" means any warranty of the manufacturer or a "repairer's" guarantee or warranty.

"We," "us," and "our" mean the provider issuing this Service Contract.

\_\_\_\_ **CUSTOMER INITIALS (WA State Only)**

#### IV. OUR RESPONSIBILITIES

"We" will pay the "cost", less any applicable deductible, to repair, replace or service the "covered engine" for a "mechanical breakdown" of a "covered component". This work will be during normal working hours at a "repairer's" place of business. "We" will provide, at "our" choice, new, remanufactured or repaired components when replacing or repairing any "covered components". Further, "we" will also pay the components and labor charges for any Caterpillar component that is rendered unserviceable by a "covered component" failure.

"We" will restore the "covered engine" to its operating condition prior to the "mechanical breakdown" by repairing and / or replacing only the required "covered components" and consequentially damaged Caterpillar components necessary to facilitate the repair. Other parts or components removed in the process of the repair will be reinstalled as is, unless "you" authorize "your" additional expense to repair or replace.

"We" will also pay the reasonable "costs" of any expendables or consumables that are made unusable as a result of a "covered component" failure.

\_\_\_\_ **CUSTOMER INITIALS (WA State Only)**

#### V. YOUR RESPONSIBILITIES

"You" shall operate, maintain and perform all recommended maintenance for the "covered engine" according to the guidelines and recommendations as specified in the manufacturer's operation and maintenance manual and if specified on the Service Coverage Matrix.

"You" shall utilize an "authorized dealer" for all scheduled oil sampling (S.O.S.) as specified in the manufacturer's operation and maintenance manual by submitting samples promptly with necessary sample information at the specified service intervals.

"You" shall be responsible for all "costs" not covered by this Service Contract.

\_\_\_\_ **CUSTOMER INITIALS (WA State Only)**

#### VI. COVERAGE TERRITORY

Coverage provided under this Service Contract is applicable only within the Coverage Territory as designated by the Zone selected on the Registration Certificate except with respect to claims the payment of which would violate U.S. law. Various U.S. laws may prohibit the payment of certain claims, including, without limitation, regulations administered by the U.S. Treasury Department's Office of Foreign Assets Control ([www.ustreas.gov/offices/enforcement/ofac/](http://www.ustreas.gov/offices/enforcement/ofac/)), the Export Administration Regulations administered by the U.S. Commerce Department's Bureau of Industry and Security ([www.bis.doc.gov](http://www.bis.doc.gov)) and anti-terrorism criminal statutes enforced by the U.S. Department of Justice. As dictated by the foregoing as of the effective date of this Service Contract, but without limitation of any other prohibitions currently existing or that may exist in the future, payments on this Service Contract will not be made with respect to claims that in any way involve "Specially Designated Nationals," "Burma," "Cuba," or "blocked Cuban nationals," "Iran," or "Sudan."

\_\_\_\_ **CUSTOMER INITIALS (WA State Only)**

#### VII. CLAIM PROCEDURES

2. Report the "mechanical breakdown" promptly to "us" or a "repairer".
3. Promptly make the "covered engine" available to a "repairer" for repair and examination and provide proof of this Service Contract registration by presenting the customer copy of the Registration Certificate.
4. Provide proof of compliance with the maintenance schedules as recommended in the manufacturer's operation and maintenance manual, such as receipts or copies of work orders or invoices from "repairers" or "authorized dealers" showing the maintenance and services performed.
