

\$400 OFF.

SAVE WHEN YOU BUY CAT® REMAN CYLINDER HEADS THROUGH JUNE 30

Did you know most Cat® Reman Cylinder Heads are sold as Upgrade-to-New (UTN)? That means you pay a fraction of the cost of new but still get a 100% new product for C-Series heads. And right now, you save twice—because Cat Reman Cylinder Heads for on-highway truck engines are \$400 off through June 30.

NEW PART QUALITY COMES AT A LESS-THAN-NEW PRICE.

If you're looking for an alternative to buying new or rebuilding, don't settle for aftermarket cylinder heads that can cause horsepower and fuel economy losses. Choose Cat Reman instead.

Cat Reman Cylinder Heads are completely remanufactured, with all the latest engineering updates, and priced at 40-45% of new. UTN Cylinder Heads feature all-new components and a new casting for 55-65% the cost of new for C-Series heads. They're both lower-cost, higher-quality repair options that deliver like-new performance.

NEW PRODUCTS DESERVE A SAME-AS-NEW WARRANTY.

Our industry-leading, unlimited-mileage, 12-month warranty covers:

- » Repairs at any authorized Cat dealer (not limited to the original selling or servicing dealer)
- » Parts and installation labor to replace defective parts, even if the original repair was not performed by a Cat dealer (assuming workmanship did not cause the failure)
- » Contingent damage caused by a covered component to other Cat engine components
- » Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component

YOUR CORE COULD SAVE YOU EVEN MORE.
