FABTECH DIESEL TECHNICIAN SCHOLARSHIP PROGRAM

Proudly sponsored by Fabick Cat

PURPOSE

This scholarship program was established to provide assistance to students entering the FABTECH Technician program at Fox Valley Technician College (FVTC). The scholarship provides tuition assistance, a paid internship working with a mentor, uniforms and a career employment opportunity with Fabick Cat upon graduation.

SCHOLARSHIP

Scholarships from \$500 to \$1,000 will be awarded based on meeting FVTC admissions requirements, education and experience, scholastic aptitude, commitment to complete the required course work and occupational experience (internship) and employability after required skills are mastered.

QUALIFICATIONS

Applicants must meet the following eligibility requirements:

- Be graduating from High School in the current academic year or have already graduated from high school with a 2.0 GPA minimum.
- Apply and be accepted to the FABTECH Diesel Technician Program.
- Write a personal statement of why the scholarship is important to you.
- Be willing to interview with representatives of Fabick Cat to discuss career goals. If the applicant is a high school student, parents are requested to attend the interview.
