CAT DEALER SERVICE TECHNICIAN

BUILD YOUR FUTURE WITH AN INDUSTRY LEADER

FABICK CAT

FABICK CAT

HANDS-ON LEARNING

Are you ready to advance your career with the best in the industry? As one of the few ThinkBIG programs in the nation, the Cat Dealer Service Technician Option provides the unique opportunity to enhance your technical skills and experience while gaining on the job training through paid internships at Fabick Cat.

The program teaches students how to service Cat equipment using cutting-edge diagnostic and maintenance systems, advanced technologies, and high-tech tools. Students experience a wide variety of technologies such

as electronically controlled engines, sophisticated computer-based diagnostics, state of the art hydraulics, transmissions, and more. Not only is this accredited program affordably priced, it also provides students the opportunity for full time employment and competitive pay at one of Fabick Cat's locations within just 24 months.

Fabick Cat brings the capabilities of its entire organization as well as the assistance of its partners to this innovative technical college program. Students are trained by experienced instructors and have the opportunity to

work on current model Cat equipment, engines, generators and switchgear using the latest tools and advanced diagnostic technology.

This is a two-year, five-semester program with classes held during the summer semester. Those interested in earning a baccalaureate degree may continue their education at the ThinkBIGGER program at Pittsburgh State University in Kansas.

EASY APPLICATION

PROGRAM REQUIREMENTS

- 18 years or older with high school diploma (or equivalent)
- Passing score on one of the required pre-admission test (ACT, ACCUPLACER or COMPASS)
- Valid driver's license
- Completed State Tech admissions application

WHAT'S NEXT?

- If application pre-requisites are met, State Tech will call to setup a complete mechanical aptitude test (Bennet Mechanical and Apparatus tests)
- Based on assessment results, Fabick Cat Human Resources will contact you to schedule an interview
- Then finally, you'll have an interview with the branch manager in the store you'll complete the shop internship

WHO IS FABICK CAT?

Fabick Cat is the Cat dealer for major portions of Missouri, Illinois, the entire state of Wisconsin and the Upper Peninsula of Michigan. For over 100 years, Fabick Cat has employed and served the hard-working, let's get it done people the improve the quality of life in the community. From Cat machines that help maintain infrastructure and support our farmers, to aerial lifts and emergency power generation, Fabick Cat supplies the essential products to help make progress possible. Does this sound like something you're interested in being a part of?

SERVING THE INDUSTRIES THAT SERVE OUR REGION
